

BRIG

FREEDOM TO DISCOVER

New Falcon 570 from Brig

Launches in time for summer 2009

World wide recession or not, Brig with their usual determination have released the amazing Falcon 570 Rigid Inflatable Boat.

The 570 is designed and built to allow many different console layouts, using the superb range of Brig built consoles.

For families the deluxe consoles may be fitted, or for maximising the deck space this incredible boat

may be fitted with the new Brig jockey console, which thereby makes this boat the perfect for semi commercial use including sport diving, harbour masters fire, police and club rescue use.

The standard boat is built from GRP with tubes from Mirasol/PVC. Or it can be tubed using Hypalon. Gelcoat and tube colours are available.

The Brig Falcon 570, fitted with a 90hp outboard & on a trailer, is expected to retail at prices starting from £13900.00 plus VAT. Superb value for a superbly built boat!
